

IQAC

Objectives:

1. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.
2. The IAQC is neither a hierarchal structure nor a mere record keeping exercise, but serves a vehicle that streamlines the efforts of the institution in promoting its holistic academic excellence.
3. The genuine efforts of the cell have been central to the development of a system for action to improve the performance of the institution – both academic and administrative, and have been the impetus behind the internalization of quality culture and the institutionalization of best practices that are the precursors of quality enhancement.

The IQAC has focused on the following areas for the holistic development of the Institution.

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programs.
- Equitable access to and affordability of academic programs for various sections of the society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.

Initiatives: In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution.
