M.Sc. - Information Technology (2 years)

SEMESTER 1:

Course Details	Course Credits
Mobile Computing	4
Digital Graphics & Design	4
Data Communication and Networks	4
Enterprise Database System	4
Java programming	4
Introduction to Science of Living-I	2

SEMESTER 2:

Course Details	Course Credits
Service Oriented Architecture	4
Web Technologies using PHP	4
Distributed System	4
Artificial Intelligence	4
Programming in C# on .Net MVC	4
Introduction to Science of Living - II	2

SEMESTER 3:

Course Details	Course Credits
Advance Java & Android Programming	4
Neural Network & Fuzzy Logic	4
Cloud Computing Technology	4
Software Testing tools	4
Cyber Security and Forensic	4
Introduction to Science of Living - III	2

SEMESTER 4:

Course Details	Course Credits
Major Project / Internship	24
