SCHOOL OF LAW

Surat

Where student life can be dazzling.

Surat is one of the most attractive cities in India, dazzling you with its diamond industry, winning you over with its food and gastronomic delights, charming you with its culture and impressing you with its technology. Clean and spacious, focused and sharp, Surat has strong business roots that gives the city its power and clout. Drawing business visitors, tourists and students from all over the country and the world, Surat warmly hugs you with surprising opportunities and the lure of a prosperous life. Voted one of the cleanest cities in India, close to Mumbai and known to be highly safe for women, a vibrant campus in the heart of Surat will win you over. Surat is where you can happily find yourself today, and in a sparkling future.

From grasping the laws of the country to interpreting laws for the betterment of society, studying Law at Auro can be an enriching and rewarding experience for young minds.

If you have a calling for a higher education that is intellectually stimulating, challenging and gives a great sense of fulfillment in your career, you should consider the Auro School of Law. Established in 2012, School of Law was set up with a mission to pioneer legal education reforms and to actively shape the transformation of students from learners to leaders in the legal sector. After graduating from Law school, Auros are successfully working in Law firms, Multinational corporations, Litigation, Academia and entrepreneurial activities.

An inspiring higher education experience

School of Law - Auro University is one of the first institutions in the country to introduce Integral and Transformational Learning approaches. And for over 10 years now, the University has irrefutably remained a leader in the field of legal education in the country, with an exceptional reputation. The School of Law offers Undergraduate, Postgraduate and Doctoral programmes in law as per the guidelines of the Bar Council of India and the University Grants Commission.

WHEN YOU CHOOSE TO STUDY LAW, YOU CHOOSE A CHALLENGING CAREER IN SERVING AND PROTECTING SOCIETY.

A law education creates sharp individuals with highly regarded skills and abilities.

From Criminal Law to Corporate, Family and Environmental Law, the curriculum designed and delivered at the School equips the student with analytical skills, speaking skills and an astute interpretation of legal language. Individuals tend to emerge sharper, highly aware of social and human rights.

Empowering a generation with legal moves

The School aims to develop and deliver meaningful learning experiences for the community by integrating their knowledge of content and pedagogy and creating a learning environment for holistic development of the students.

Get the maximum out of your law school education

The programmes offered at the Auro School of Law incorporate a number of special opportunities such as internships, clinical programmes, supervisory research and writing. In order to promote interaction between students and legal professionals, seminars, guest lectures and workshops are conducted on various subjects of law at regular intervals

Auro provides a stimulating space to prove your worth

As Auro University is guided by the vision of Sri Aurobindo and the Mother, the aspects of Integral Education are also integrated into the Law curriculum. Whether you are from the farthest parts of the country or a localite in Surat, the School makes for a holistic and exciting learning experience.

Amazing internships that students truly value

The School also sends students for experiential learning through field internships which are mandatory. It enables students to gain first-hand experience of the field and internalize how the real-world scenarios work.

The Auro Edge

A campus where you get to focus and craft your career

With state-of-the-art facilities, a sports and health-conscious student community, fun events, stellar faculty and visiting lecturers from the business world, research emphasis and placement-focus, this is one campus where you can craft your career sharply for success.

Focus on Learning by doing through Moots, Role Plays, Projects and Seminars.

UniquelyAuro

Wide range of Elective subjects from various other domains of study.

Opportunity to earn additional credits through research, internships, SWAYAM, Add-on Courses and other academic activities.

Introduction of 'Industry Immersion Program' in the final semester to smoothen the transition from a student to a professional.

Revision of syllabus in every two years to keep pace with the dynamic world of Law.

Eminent personalities from the legal field included in the Board to contribute to the growth of the School.

Learning opportunities in the form of interaction with experts from Academia and Industry through lectures, workshops, certification programs.

Personality development opportunities through the activities of various student led clubs and Cells

Programs offered by the School

BBA LLB

The School of Law offers five year integrated BBA LL.B Degree program spread over ten semesters. The curriculum is designed and oriented to impart contemporary legal knowledge, acts, legal procedures, apart from integrating the modern technology enabled systems, processes and procedures in the process of imparting an optimal blend of teachings in Indian laws as well as international laws.

The curriculum is designed, customized and oriented to impart contemporary legal knowledge, acts, legal procedures, apart from integrating the modern technology enabled systems, processes and procedures in the process of imparting an optimal blend of teachings in Indian laws as well as international laws to make sure that our students are globally employable in globalized economies of the globe. The program has been innovatively designed to cater to the growing challenges and complexities of the dynamic legal and business environment of India and abroad.

BA LLB

The School of Law offers five-year integrated BA LLB Degree program spread over ten semesters. The curriculum is designed and oriented to impart contemporary legal knowledge, acts, legal procedures, apart from integrating the modern technology enabled systems, processes and procedures in the process of imparting an optimal blend of teachings in Indian laws as well as international laws. The Programme aims to lay a strong foundation of an interdisciplinary study of law and Liberal Arts.

The students will be at the receiving end of quality academic and research input from highly committed and dedicated faculty members oriented to deliver contemporary legal education. The students will also be exposed to life skills, soft skills, and various aspects of values, ethics and integrity which are indispensable pre-requisites of success in modern business and legal world. The students will be motivated to excel in the domain area of law after the successful completion of the program. Having a multidisciplinary curriculum will allow the students to explore a variety of interests and future plans where it can pave the way to work in the lines of Academia, International affairs, Policy Making, Journalism, NGOs, Think Tanks, and Public services.

BA Legal Studies

The B.A in Legal Studies Programme aims to lay a strong foundation of an interdisciplinary study of law and social sciences. The program aims to balance law with liberal arts perspectives. Having a multidisciplinary curriculum will allow the students to explore a variety of interests and future plans where it can pave the way to work in the lines of Academia, International affairs, Policy Making, Journalism, NGOs, Think Tanks, and Public services.

LLM

With an aim of growth of the School of Law in its impact and size, and to stimulate the academic environment intellectually, the Centre for Post Graduate Legal Studies has been established to conduct the Post Graduate Courses in Law, and to equip the Law graduates with the dynamism to comprehensively understand the fast changing legal scenario all around. The center is established as per the UGC Notification no. D.0 No. 5-1/99(CPP- II) Dated 18th January 2013 and offers one year LLM Degree in accordance with the UGC guidelines. It will be run by qualified, experienced and dedicated teaching staff who would contribute in the transformation of a student as a global leader in the field of Law. The faculty members associated with the center will also be working towards planning and executing the activities like workshops, seminars and training programs to imbibe the expertise and to enhance the skills of the beneficiaries of the center.

Clubs & Societies

AURO Litigious Committee (ALC) The modus operandi for acquiring lawyering skills begins in the law schools with mootings. It is an unparalleled exercise that brings forth an opportunity to the students to manifest their oratory, cognitive and research skills.

The AURO LITIGIOUS COMMITTEE (ALC) is responsible for administering and facilitating all mootings related activities at AURO University. This includes planning, organizing and executing the AURO National Moot Court Competition- the School of Law, AURO University has successfully organized, since its inception six National Moot Court Competitions which witnessed participation from various institutions of repute from across the country. ALC also aims to inculcate an interest in mootings within the university by organizing extensive workshops and demonstrations with experienced professionals from the legal fraternity as well as experienced mooters and litigators from previous batches. The ALC also organizes the AURO Intra-Moot Court Competition every year in order to constitute the moot teams for that academic year.

Jus Gentium

Jus Gentium is a club that focuses on enhancing the qualities of every individual which are required for them to be a better lawyer. It aims to empower every person with activities that are organized. These activities are developed in a manner that allows the participant to focus and create a balance between their Emotional Quotient, Intelligence Quotient and Spiritual Quotient. Therefore, in a nutshell the aim of the club is to enrich and empower the individual with the medium of activities and guest seminars. It is the student society which conducts various competitions in the law school which are not just purely academics based but also involves the extra-curricular skills.

Jus Gentium has successfully organized number of events in the last few years like Law Quizzes with creative twists, Parliamentary Debates like Charcha and have a monthly newsletter called Communiqué and is all set to come up with many more

Lawspective

Lawspective is a student run committee in School of Law, Auro University with education, upholding the aim of empowering students with the tools required to succeed in this noble profession. Lawspective engages students in academic and social activities to enhance the educational experience at the university. Lawspective organizes events and activities related to Trial Advocacy and Alternative Dispute Resolution (ADR) with the aim to train law students in the practice of various ADR mechanisms, Trial Advocacy and client counselling, It aims to help the students develop practical skills, critical analytical ability, synergizing law, advocacy, counselling and mediation skills so as to fully equip the students with learning which is intellectually stimulating, socially vital and professionally enriching.

Industry Immersion Program

The Industry Immersion Program is one the unique programs of the School, which is designed to amalgamate the needs of all the four stake-holders of the University – Students, Faculties, Industry and Community to transform the students from learners to leaders. Students of the final semester are provided with the opportunity to work in the Industry under the mentorship of the faculties and the Industry leaders. Industry Immersion is guided through internships and it is mandatory for students to intern after each semester. Besides this, the students have an opportunity to get on-field experience and be ready for the profession even before entering it.
